**PAVLO KRYVONOS**

**Mexico City, 26 December 2025**

**Dear Mr Kryvonos!**

On behalf of the Embassy of Ukraine in Mexico and personally, I express my sincere gratitude for our multifaceted and productive cooperation.

I wish to express special thanks for organising and hosting the roundtable ‘Where the Ukrainian Heart Beats. Ukrainian Communities in Latin American Countries’. This event served as a vital platform for uniting Ukrainians and highlighting our agenda in the region.

I also take this opportunity to specifically acknowledge the incredible team at the GDIP Media Center. Their high professionalism, sincerity, openness, and constant readiness to cooperate deserve the highest praise. It is precisely through your team’s coordinated and inspired work that projects with true cultural impact become possible.

I sincerely hope we will continue our fruitful interaction and implement new initiatives in the cultural and humanitarian sphere in the coming year.

Taking this opportunity, I sincerely wish you and the entire GDIP team a Merry Christmas and a Happy New Year! May the coming year bring Ukraine victory and long-awaited peace, and bring you good health, family comfort, and inexhaustible energy for new achievements.

**With deep respect,**
